

TERRAform

Garden adapted for people with reduced mobility
Registered trademark

List of references :

Since 2010, our adapted Terraform garden shells have been installed in various institutions in therapeutic gardens, healing gardens, shared gardens, allotment gardens and at private homes in France, Europe (Belgium, Holland, Italy, Portugal, United Kingdom, Switzerland, Estonia, Switzerland, Luxembourg, Norway ...) and in North America (USA and Canada). Here is a list of different places, EHPAD (sheltered retirement housing concept.), hospitals, long term care facility, specialized institutes, landscapers, urban planners, outdoor designers, public works companies, town halls, associations ... who use our product for their projects.
